

This document contains the steps you should follow to upload your contribution to the OJS Platform Virtual Library UNL.

Manuscript uploading instructions for authors

Revista FAVE Sección Ciencias Agrarias
Facultad de Ciencias Agrarias
Universidad Nacional del Litoral

MANUSCRIPT UPLOADING INSTRUCTIONS FOR AUTHORS

Step 1: Registration

For those who haven't registered yet, we provide instructions that will serve as a guide in this process. The present document has been designed to facilitate the acceptance of manuscripts to Revista FAVE Sección Ciencias Agrarias.

If you have finished writing a manuscript according to the editorial guidelines mentioned in our journal's website (<https://bibliotecavirtual.unl.edu.ar/publicaciones/index.php/FAVEAgrarias/about>), the whole registration process and submission should take 10 minutes at most.

1) Go to the following link: <https://bibliotecavirtual.unl.edu.ar/publicaciones/index.php/FAVEAgrarias/user/register>

2)

a. Fill in your details, choosing a username and a password. You have to fill in the items with an asterisk (*).

b. Your preset role is "Author".

c. We would appreciate you to tick the option "Yes, request the external reviewer role" to be taken into account to be a reviewer.

d. Remember to confirm you are not a robot.

e. Once you have finished, press: "Register" and the system will automatically send an email to the address set for verification.

4) Once your user account has been created, you will be able to complete it with other details by clicking on “see profile”.

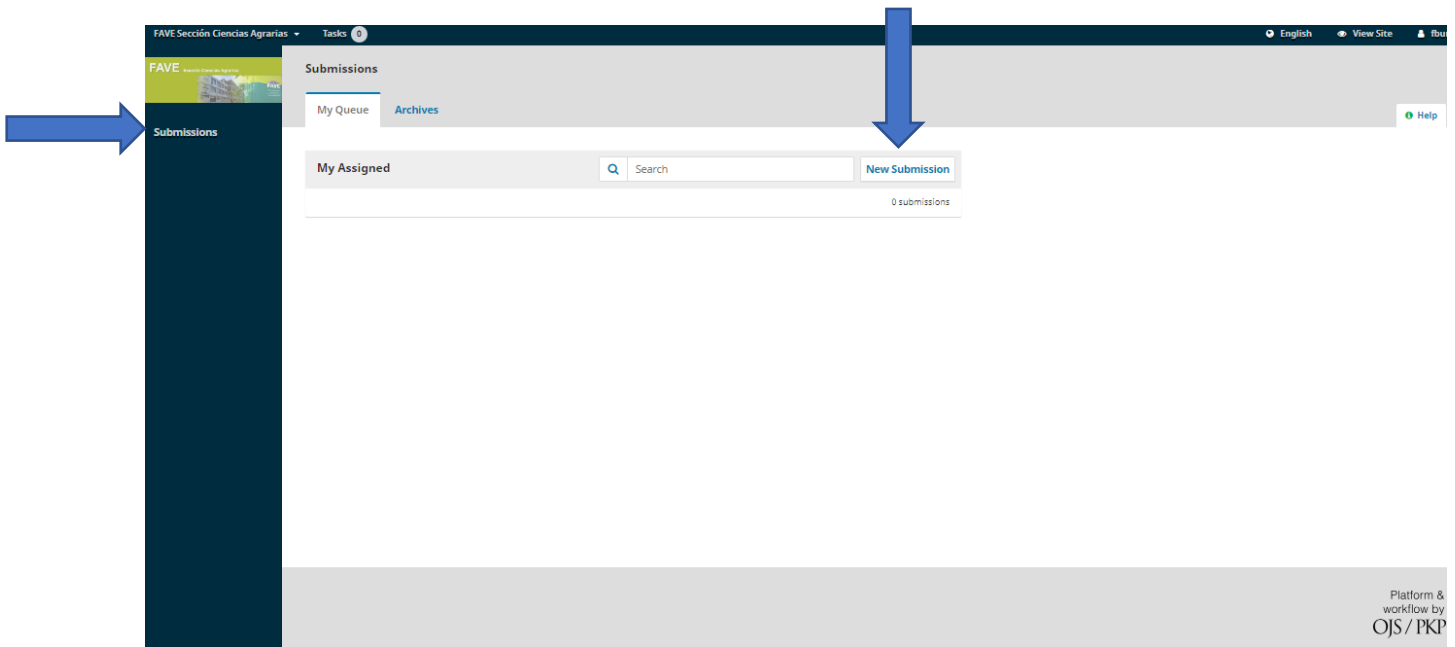

Even though you don't have to complete non-mandatory fields, we recommend you to register at this link: <http://orcid.org/register> to obtain your **ORCID ID**, since this will provide you with a permanent digital identification that will differentiate you from other researchers. Also, it accepts automatic links between you and your professional activities through the integration in key research flows, such as the presentation of manuscripts and subventions, thus guaranteeing the acknowledgement for your work.

Step 2: Manuscript submission

1) You're already registered in the journal. The website will show you the option "Submissions". Clicking on this option will give you the possibility for a "New Submission", on which you must click.

2) A new window will open with different tabs which contains options that must be set to continue.

- **Start:**
 - Language: You must determine the language in which your manuscript is written.
 - Section: articles up to 15 pages or communications/notes up to 8 pages.
 - Submission requirements: must be fulfilled. Click on them.
 - Comments for the editor: you can send comments and observations to the editor.
 - Press "Save and continue".

* Denotes required field

- **Submission upload:**
- After pressing “Save and continue”, the window “Upload submission” will open.

Upload Submission File

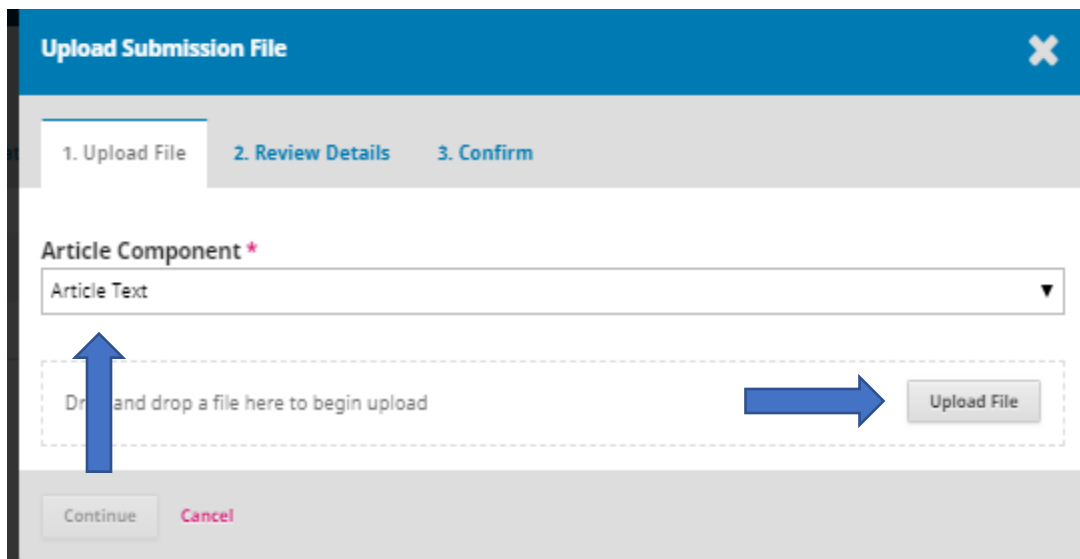

1. Upload File 2. Review Details 3. Confirm

Article Component *

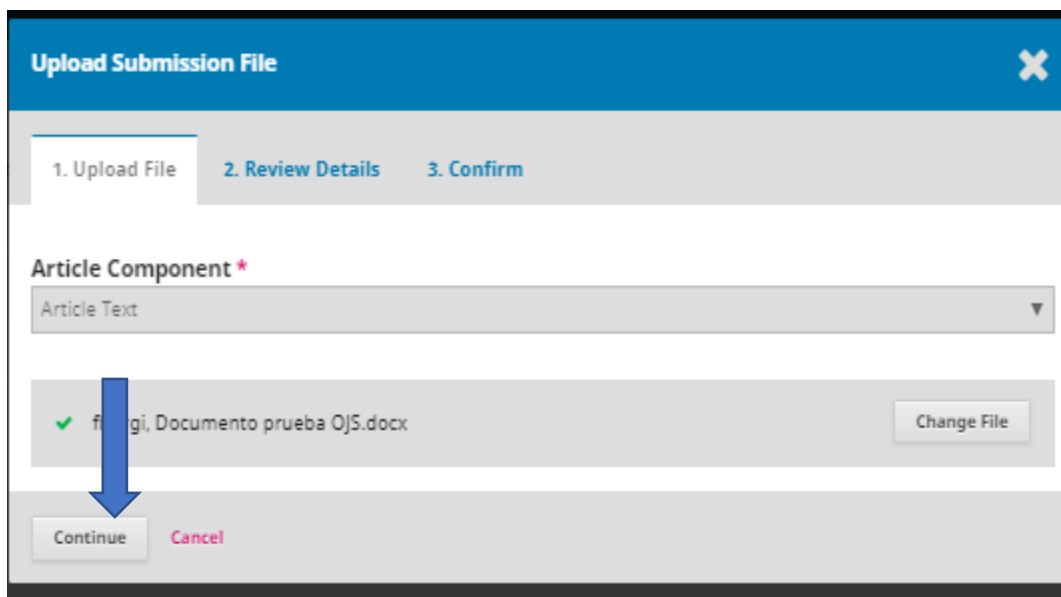

Select article component

Continue Cancel

- Open the window and click on the correct option (example: “text of the article”). Then, you will be able to upload the file.

- Once you've checked correct upload, press "continue".

- In "Review Details" press continue.
- In the option "Finish", you will be able to add another file linked to your manuscript (figures, tables, etc), for which you will have to click on "send another file", and restart from "Upload file". If you are uploading a revision of an existing file, please specify which file it is at "Choose file (to keep records)"; otherwise, it will replace the previous file.

Submission Metadata
These specifications are based on the Dublin Core metadata set, an International standard used to describe Journal content.

Coverage Information

Type
The submission type is usually one of 'image', 'text', or other multimedia types including 'software' or 'interactive'. Please choose the one most relevant for your submission. Examples may be found at <http://dublincore.org/documents/2001/04/12/usagpguideline/qseric.shtml#type>

Source
Is this submission derived from another resource? If so, you may enter a URL or description of that resource.

Rights
If you wish, you may enter a brief statement about the access rights held in or over this submission.

Additional Refinements
Add additional information for your submission. Press 'enter' after each term.
